TO WHOM MAY IT CONCERN

It is certified that I have personally inspected School Building of "**Shishu Niketan Public School Sector 43 A , Chandigarh**". The inspection was carried out along with the *Director of school Dr. Ashish Sharma*.

The school comprises of 2 blocks. **Block A** : Senior Wing (constructed with Basement + 4 Storied) and **Block B** : Junior Wing (constructed with Basement + 2 Storied). The Building is constructed as per old Codal provisions.

The Tentative covered area of existing school building is 48117 Sft on a plot area of 11054 SqYds. On the visual inspection there were no major structural/deflection cracks observed. Minor cracks had appeared on the Junction of RCC Slab and brickwork, which the management was intimated. Rebound hammer tests and Ultrasonic pulse velocity was also carried out to determine the strength of concrete.

The building is fit for habitable use and running a school building. The approximate life of the building is 40years with proper maintenance and retrofitting. The validity of this certificate is one year .
